
20-Year Warranty

This sleep system is designed to provide maximum comfort and durability, using the finest quality of materials and workmanship. We warrant to the original purchaser if, within twenty years of the date of purchase, a defect is found in material or workmanship, we will inspect, and, at our option, repair or replace the product under the terms and conditions of this warranty. The consumer will be responsible for the expense of shipping or delivering the component to our factory as well as the cost of returning the replacement or repaired item.

This warranty covers the entire mattress set, including the ticking, foam cavity, foundation, air chambers and control system. All warranties date from the original purchase date.

We reserve the right to substitute materials if the original materials are no longer available.

This warranty covers defects in manufacturing and does not apply to any defects caused by misuse, improper assembly, negligence, accidental damage or normal wear.

To obtain performance under this limited warranty, contact the retailer from whom it was purchased, provide proof of purchase, explain the defect and arrange with the dealer for return of the defective part for service.

Our liability is limited to this written warranty. No other warranty is expressed or implied, nor does this warranty cover so called incidental or consequential damages.

Some states do not permit limitations on how long an implied warranty may last; some states do not permit the exclusion or limitation of incidental or consequential damages, so either or both of the above limitations may not apply to you.

This warranty gives you specific legal rights and you may also have other rights which vary from state to state.
